

Mt.Ogden Golf Course

Last Updated Saturday, 27 October 2007

Skiing Right in Town! This golf course is owned by Ogden City and located on the "East Bench" in Ogden, at 1787 Constitution Way. (Go East on 30th street until you come to the old hospital, then go right and follow the street...it dead ends at the course.) Classic skiing is great when snow and temperatures permit, so hit it when it's right! Follow classic tracks set by skiers, or free ski the open areas. Please stay off the greens and tee boxes! This is a rolling mountain course, so the terrain can be as challenging, or as gentle, as you make it. Length: Easy to get 5k. Elevation: Approx 4,500'
