

## Season Pass

Last Updated Wednesday, 16 December 2009

Hello to Nordic Skiers and Snowshoers of North Fork Park. The 2009-2010 season is here and the track is fantastic! So, order your pass and do some gliding...always good for the soul!

As you know, the trails, grooming, signage, and Porta Johns are maintained and funded by Ogden Nordic. We are 100 % volunteer and have no paid staff. So, it is up to us to raise money for fuel, equipment, repair, and replacement.

This year your pass is also usable for skiing the Mountain Dell trail system which is maintained by SLC TUNA. So check out the great skiing there as well.

This year we need to raise \$10,000 in total, with \$5,500 dedicated for fuel alone. So, we are asking everyone to do their part by paying their way to enjoy the trails. If we follow this fee schedule we can keep the grooming going for the 8th straight year!

### Season Pass Prices:

\$80 for single (includes a TUNA membership and usable at Mtn. Dell),

\$60 for single with 2hrs volunteer greeter time (ask for details)

\$175.00 Family pass (Includes a TUNA membership and usable at Mtn. Dell)

Please help us by entering your information electronically.

Otherwise, please send a note by snail mail to Ogden Nordic, PO Box 57, Eden, Utah 84310. You may also want to notify us by e-mail that you are requesting a pass by mail.

We will be sending a 2009-10 season pass to proudly wear while skiing and ask that you encourage other users to pay their way as well.

Visible display of the pass while skiing basically says, "I am paying my share for trails and grooming, are you?"

Hope to see you on the trails!
